All students and staff have a duty to warn the school's campus manager (or an available administrator) of any violation of the school's policies and procedures which would in any way place the students, staff and/or customers in harm's way.

Stevenson Academy of Hair Design is equipped with fire extinguishers. In our effort to provide a safe and protective environment, Stevenson Academy of Hair Design students and staff are encouraged to educate themselves on basic safety and crime prevention practices.

Students and/or staff found to be engaging in any kind of criminal activity, including violations of the Drug Free Schools and Communities Act of 1989 will be subject to disciplinary action up to and including expulsion or termination. Crimes will be recorded on the crime report log, which is available for review upon request.
